

Pharmco Facts

Pharmco Industries, Inc.

Platte-Chamberlain-Winner-Kimball, SD

Cattle Owner:

Pharmco Industries, Inc. is an independent ag business based in Platte, SD. Pharmco has stores in Platte, Chamberlain, Winner and Kimball, SD. We work with producers on feed, seed, animal health products as well as nutrition and management services.

Pharmco works with several custom feedlots in South Central South Dakota and Northern Nebraska.

- Custom Grower and Finisher Yards
- 500-5000 head in capacity
- Various yard sizes, pen types, soil type, feedstuffs and services available.
- Cattle ARE Fed and Managed to meet your goals and marketing plans. *****
- Custom Feed Yards will:
 - Wean and start cattle
 - Get cattle ready for feedlot or for sale
 - Breeding or replacement heifers, grass cattle, cows, etc.
 - Conventional, Performance, Program cattle like NHTC or Drug Free.
- All feed yards have their own health program, but will work with you on products and programs.
- Feed yards with experience and good track record.

Pharmco Services

- GET cattle in the best feed yard to meet the cattle owner's goals.
- Some feedlots better at grower cattle, some at finishing, few do both well.
- Rations, nutrition advice, management ideas
- Help feed yard follow protocol to meet owners goals: Feeding program, health, etc.
- Visual Inspect cattle on regular basis
- Cattle records, reports and billing
- Marketing connections.

Total Program

- Line up or Buy the Cattle
- Put in the Right Feed Yard
- Feed and Manage the cattle to Owner's Goals.
- Records and reports to monitor performance.
- Market or ship the cattle to the next point.

Please give us a call, look forward to working with you on your cattle needs.
